

- 1) What is the highest mileage car that is on the regular road patrol?

**Response:** *The highest mileage vehicle on the road in the State Patrol was reported at 118,109 miles on January 23, 2007. The Patrol has 36 vehicles on hand that will be issued by April 1<sup>st</sup> and will be taking a staggered delivery beginning February 26<sup>th</sup> of the 140 vehicles ordered during the most recent cycle.*

- 2) What is the number of road troopers in each district?

**Response:** *The figures reported below include safety education officers, canine handlers, vehicle theft and MCSAP troopers. All can, and do, enforce the rules of the road.*

<i>District 1</i>	<i>32</i>	<i>District 5</i>	<i>19</i>	<i>District 9</i>	<i>19</i>	<i>District 13</i>	<i>17</i>
<i>District 2</i>	<i>20</i>	<i>District 6</i>	<i>16</i>	<i>District 10</i>	<i>20</i>	<i>District 14</i>	<i>14</i>
<i>District 3</i>	<i>25</i>	<i>District 7</i>	<i>20</i>	<i>District 11</i>	<i>26</i>		
<i>District 4</i>	<i>17</i>	<i>District 8</i>	<i>16</i>	<i>District 12</i>	<i>26</i>		

- 3) How many troopers and supervisors are assigned to personally protect the Governor, First Lady, Lt. Governor, her husband, and the children of the Governor (not Terrace hill of Post 16)?

**Response:** *The current contingent, still in place from the Vilsack administration is comprised of 1 Lieutenant, 2 Sergeants and 4 Troopers. The proposed contingent for Governor Culver is 1 Sergeant (shared with Post 16) and 7 Troopers.*

- 4) How many troopers were assigned to protect the Governor, First Lady, Lt. Governor and children in 1998?

**Response:** *In 1998 the detail consisted of 1 Major, 3 Sergeants and 1 Trooper. (There were no children protected by the detail in 1998).*

- 5) What is the total amount paid for total operation of the DCI at casinos?

**Response:** *Riverboat Casinos – FY07 budget equals \$7,029,513 general fund and \$228,175 reimbursements for background investigations.*

*Race Tracks/Casinos – \$705,796 general fund and \$50,000 reimbursements for background investigations.*

- 6) What is the total amount paid by the casinos to Racing and Gaming to reimburse the DCI?

**Response:** *The industry is billed by the Iowa Racing and Gaming Commission an amount equal to the general fund appropriation provided to the Division of Criminal Investigation for regulation of the industry. Those figures are reported above in response to question #5.*

- 7) What is the highest number of sworn peace officers in DPS? What year was that? What is it now?

**Response:** *The Department as a whole experienced the greatest number of filled peace officer positions in Fiscal Year 2000 at 667. The authorized strength at that time was 675. The year in which each division experienced the highest number of peace officers varies by division as follows:*

<i>Division</i>	<i># Filled</i>	<i># Funded</i>	<i>Fiscal Year</i>	<i>FY2007</i>
<i>DCI</i>	<i>152</i>	<i>158</i>	<i>2007</i>	<i>158</i>
<i>DNE</i>	<i>45</i>	<i>48</i>	<i>2001</i>	<i>55</i>
<i>FM</i>	<i>30</i>	<i>31</i>	<i>2002</i>	<i>29</i>
<i>ISP</i>	<i>452</i>	<i>455</i>	<i>2001</i>	<i>397</i>
<i>Post 16</i>	<i>25</i>	<i>25</i>	<i>2007</i>	<i>25</i>

**Footnotes:** *Current figures for DCI include 43 new gaming positions added in fiscal years 2006 and 2007 as a result of gaming expansion and an additional 3 as a result of the sex offender registry enhancement in 2006. The second highest year for DCI was FY2002 which included 124 filled and funded. Current figures for DNE include 8 peace officer positions associated with the fusion centers, none of which existed in FY01.*

- 8) How many supervisors then and now?

**Response:** *The number of filled sworn supervisory positions in fiscal year 2000 was 110 and 110 were funded. The number of filled sworn supervisory positions is currently 114 and 120 are funded.*

- 9) How many general criminal assignment special agents are there? If not now, what amount and when did you have more agents?

**Response:** *The Field Operations Bureau, otherwise known as ‘General Crim’ in DCI currently has a strength of 28 special agents and 4 SACs. The Bureau had 34 special agents and 4 SACs in FY99 and 48 special agents and 4 SACs in FY88.*

- 10) How many State Fire Marshal S/A’s are there? If not now, what amount and when did you have more agents?

**Response:** *There are currently 10 arson agents in the State Fire Marshal’s Office. This staffing level has been maintained since the late 90’s.*

- 11) How many DNE? If not now, what amount and when did you have more agents?

**Response:** *There are currently 36 filled DNE field agent positions working narcotics cases and there are currently 40 field agent positions funded. In fiscal year 2001 DNE reached the high point for agents with 39 filled and 43 funded. These figures exclude peace officers assigned to the fusion centers.*

12) What do the Govs Recommendations for overtime rates represent in man hours per Division?

**Response:**

***DCI average of 28 overtime hours per agent/criminalist per year.***

***DNE average of 94 overtime hours per year, per agent.***

13) Capitol Security spreadsheet showing expenditures for the last two years? Not a Schedule 6...the committee wants to know how much is spent on magnetometer maintenance agreements, Andover maintenance agreements, salaries for Capitol officers and salaries for Judicial officers, etc

***Response: An accounting of expenditures during FY05 and FY06 for security of the Capitol Building and Judicial building is attached. We were unable to easily identify the maintenance agreement costs of the magnetometers and X-ray units for FY05, but were able to locate a cost in FY06.***

***The FY 07 cost of maintenance for the Andover System will be \$150,792. The FY06 cost of Andover System maintenance was \$50,765. The increase in cost is as a result of adding Terrace Hill, Grimes Building, Parker Building, Judicial Building, DPS Building to the service agreement. The FY06 agreement included only the Capitol, Lucas and Miller Buildings.***

14) List of property seized by Capitol Security officers...if it is Post 16 seizure, please note

***Response: A list of items seized was not available. However incident reports indicated the following:***

***A group of four individuals of middle-eastern descent entered the building taking unusual photos. Their information was turned over to the FBI.***

***A man entered the common area prior to the checkpoint with what was described as a dagger under his jacket. Prior to reaching the checkpoint he was confronted by security, the man decided to not enter the Capitol with the rest of his group.***

***Subject entered building 11/8/03 and would not allow bag to be scanned, and returned it to his vehicle.***

***On 4/4/05, a mentally unstable male entered the building looking for Senate President Lamberti, who he claimed was a close friend. After determining that this individual was not a close friend or acquaintance of Senator Lamberti, the man was escorted out of the building and advised of trespassing.***

***On 7/14/05, a backpack was found unattended at the NW entrance of Capitol. After determining that the contents did not contain explosives, the bag was returned to the owner.***

***On three occasions, security officers have informed Post 16 Troopers when an individual in their "bolo" book has entered the building.***

***On three separate occasions, individuals have entered the checkpoint with guns, although they had permits, they were escorted to their vehicles to properly lock them up.***

15) Summary of the risk assessment done by the FBI for the Capitol after 9-11.

***Response: A copy of the Secret Service report from 1999 is attached to this response.***

- 16) What is the trade in value of the two aircraft you are looking at replacing? Would that be deposited into the depreciation fund?

***Response: The estimated trade-in value of the one aircraft we are seeking to replace first, a 1985 Cessna 172, is \$35,000. The cost of a replacement aircraft varies depending on new vs. used and the number of hours on the aircraft if used. A new model year 2007 Cessna 182 lists for \$349,500. A used model year 2005 Cessna 182 with 88 hours was identified for \$305,000 and a dealer demo 2005 Cessna 182 with 126 hours was identified for \$284,900.***

- 17) How much is the Post 8 land purchase going to cost? Any updates from the meeting at Mason City on 2-6-07?

***Response: The site that has been identified as our primary site is located south of 43rd street on Highway 65, approximately 1/4 north of Highway 218. It is a 5 acre site that is priced at \$32,670 per acre (.75 per square foot). Total land cost is \$163,350. We had set aside \$80,000 for site cost. Patrol command staff has met with the Mason City Engineer. They are optimistic that they can extend the utilities to our property without cost to us.***

- 18) What is the estimated portion of federal funding that you anticipate for communication interoperability?

***Response: At this time we can't put a number to it because we don't know what is available. The Federal government said last year they were looking at spending 3.3 billion on Communications Interoperability but I do not know to what extent that was funded. The Only way we will know is if we get our Governance structure in place and start on the Comm. Plan. With those two items in place, we can then compete with other states for the money.***

- 19) What is the definition of an alcohol-related death?

***Response: Per Iowa DOT, Office of Driver Services, either at the crash scene or later at the hospital a test is done. Either a blood, urine or breath test is done and sent to a Lab. When the data comes back to the DOT, if the test is positive for alcohol, it is considered alcohol-related regardless of the level of alcohol. Test refusals count as alcohol-related. Historically, about 80-85% of all alcohol related fatalities occur with a driver (or pedestrian) over the legal limit of .08. The other 15-20% are drinking, but not legally impaired.***

20) Of the \$99.0 million in HOTSPOTS money, what portion did Iowa receive?

***Response: Of the \$99 million authorized under the meth hotspots grant program only approximately \$64 million was appropriated. Of that approximately \$20 million was to be used for lab clean-up. Iowa received a total of \$2,525,000 in meth hotspots funding inclusive of grant administration costs. \$2.45 million was allocated in the following fashion:***

<b><i>Two 18 county task forces</i></b>	<b><i>\$1.3 million</i></b>
<b><i>Jail Treatment</i></b>	<b><i>\$0.8 million</i></b>
<b><i>Anhydrous Tank Locks</i></b>	<b><i>\$0.3 million</i></b>
<b><i>DNE Drug Diversion FTE</i></b>	<b><i>\$50,000</i></b>
